Subject: Volunteer's for clothing

Can you believe it, it is that time of year that we need to start thinking of Christmas and Project Joy is getting ready for another busy year. We are asking for your help once again with purchasing clothing for the children that are signed up to be a Project Joy recipient.

I am asking that if you are interested in purchasing an outfit for a child that you please send an email to Darrylin Hogie at pdhogie@mediacombb.net She has so graciously agreed to help out again this year with heading up the clothing part of this enormous project. We are only asking for one outfit per child so if you would like to buy more then one outfit please sign up for more children. It helps us out so much.

As most of you know Darrylin will send you the name, age, sex and sizes of the child that is assigned to you. There will also be a number assigned. We ask that when you bring the outfit that you tie it together with the name of the child and the number that is provided to you attached to the outfit so we know who it belongs to.

Our store is open this year on December 12th and December 13th. We will need the clothing by December 6th if at all possible.

If you have any questions please feel free to contact me, Cara Beers at 605-690-3807 or just send me an email Cara.Beers@state.sd.us

Thanks Again for all your help.
